About Me

I am a multidisciplinary graphic designer who blends strategy with craft. My work focuses on identity systems, editorial, and digital product visuals. I approach problems with research, rapid iteration and craft a consistent visual language that scales.

- Design Philosophy: Clarity first, personality second.
- Tools: Figma · Adobe Illustrator · Photoshop · After Effects · Procreate.
- Delivery: Brand systems, marketing visuals, motion banners, packaging mockups.

#### **Key Achievements**

- Led rebrand for Borcelle Inc (2023) — +42% engagement
- Built internal design system used across 3 teams
- Featured on top design blogs and Behance curated lists
