MY ARCHITECTURAL PROJECTS

Modern Villa - Amman

A private villa design combining minimalism and natural stone textures for a modern yet warm look.

Cultural Center - Petra

A cultural hub integrating traditional Nabataean architecture with contemporary materials and open courtyards.

Eco Office Complex

Sustainable office design using passive cooling, green roofs, and modular construction systems.

About Portfolio Services Blog Contact [Switch Language](#)

Urban Pavilion - Public Park

A light, open-air structure designed as a flexible community gathering space within a busy city park.

Residential Block - Mixed Use

A multi-family housing project with ground-level retail, emphasizing natural light and privacy.

Interior Concept - Loft Apartment

Interior renovation using industrial materials, open-plan design, and smart space-saving solutions.
